

TO: Hanuman Fellowship and Satsang Members
FROM: The Fellowship Oral History Project

Dear Friends and Students of Baba Hari Dass,

2017

This year the Fellowship is initiating an Oral History Project. We feel it is important to gather the stories and reflections of those who have known and studied with Babaji and now is the time to do so.

If you would be willing to participate in this endeavor we would like to schedule an interview with you. The interviews are taking place at Mount Madonna Center at least one Saturday each month as well as during the New Years Retreat. Other dates can be scheduled when necessary. The interviews take between 10 and 15 minutes and will be recorded as both audio and video files for the future use of the Fellowship.

We are asking several questions to help people reflect on the time they have spent with Babaji. The first question is "How would you describe Babaji to someone who has never met him?" The second question is "What impact has Babaji and his teachings had upon your life?". Of course we are interested in your personal experiences with Babaji and memories you have of him.

If you are interested in scheduling an interview please contact us at:
OralHistory@mountmadonna.org.

Once you schedule your interview please write down your date and time here:

Your scheduled interview is for _____ @ _____

Interviews will take place in the Kutir at Mount Madonna Center.

Sincerely,

Sudhir Dass, Sarada Diffenbaugh, & Les Hodges
